

Welcome to the Team

Welcome to Estep and Company — where energy, teamwork, and excellence come together every single day. Our success is built on people — and that now includes you!

Our Mission

To be known as the best place to work and the best restaurant company — delivering high-quality food, exceptional hospitality, and continuous team development.

Crew Member Expectations

- Deliver High-Quality Food by strictly following preparation standards, ensuring food safety, and taking pride in accuracy and presentation.
- Provide Exceptional Hospitality through positive energy, warm guest interactions, and professional handling of concerns.
- Embrace Continuous Team Development by accepting feedback, improving every shift, and supporting teammates.
- Bring Energy & Teamwork to every shift with urgency, communication, and a strong work ethic.
- Demonstrate Ownership & Accountability by arriving prepared, completing responsibilities fully, and correcting mistakes quickly.

General Responsibilities

- Execute assigned station duties and maintain a clean, organized work environment.
- Follow all opening and closing procedures based on your assigned shift.
- Assist with shift change responsibilities to ensure smooth transitions between teams.
- Support closing requirements fully when scheduled for closing shifts.
- Uphold food quality, safety, and sanitation standards at all times.
- Use equipment properly and report hazards or concerns immediately.
- Communicate clearly with management and participate in required training.

Team Development & Training

Once fully trained, crew members will be validated by their General Manager and are expected to help train and support new team members. Leadership begins with setting the example, maintaining standards, and helping others succeed. Teaching and supporting teammates is part of being a strong contributor to our culture.

Our Commitment to You

In return for your dedication, Estep and Company commit to providing a respectful, team-focused environment with opportunities for development, recognition, and advancement. When we say we aim to be the best place to work, that includes you!
